They said it...

“The launch of the inaugural nomination campaign for the East York Hall of Fame provides a wonderful opportunity to reflect on the many elements that make this vibrant, multicultural community such a great place to live; and to celebrate the contributions of those who have made a significant difference to the community. I commend the East York Hall of Fame Association, and all those who have helped along the way, for their commitment to honouring, preserving and promoting the community’s rich heritage for present and future generations.”

– Hon. Kathleen Wynne, Premier of Ontario, MPP, Don Valley West

“I am excited for the launch of the inaugural nomination campaign for the East York Hall of Fame. This will be an opportunity for the community to reflect on individuals who have helped shape the former borough and township, as well as individuals who are helping shape the future of East York and Toronto. The City is proud of organizations that are committed to making a difference and contributing to the well-being of our communities. On behalf of Toronto City Council, I extend my best wishes for success.”

– John Tory, Mayor, City of Toronto

There is something special about the spirit of East York. By celebrating its history and people, an East York Hall of Fame would be an excellent way to keep that spirit alive and thriving. What we learn from history helps us build a better tomorrow. Through this Hall of Fame, the talented people of East York and its dynamic community spirit will both teach and inspire generations to come.

– Councillor Mary Fragedakis, Ward 29, City of Toronto

“The East York Foundation is proud to be affiliated with the East York Hall of Fame initiative. As an organization dedicated to the promotion and preservation of the rich culture and heritage of East York it was a natural fit for the Foundation to establish the relationship with the Hall of Fame organizers that created this wonderful acknowledgement of excellence among East Yorkers. We congratulate Justin Van Dette and the dedicated group of loyal East Yorkers on the launch of the East York Hall of Fame.”

- Rav White, Chair, East York Foundation

Mission of the East York Foundation: To contribute to the historical, cultural and recreational enrichment of the the people of the former Borough of East York, which encompasses the communities of East York and Leaside.

About the East York Foundation: The East York Foundation was established by an Act of Provincial Parliament in 1964. The Foundation owns a collection of art, historical artifacts, rare books & documents of historical significance. The Foundation is governed by a board of directors made up of residents of East York & Leaside. Several works of art are on permanent display at the S. Walter Stewart Library. The Foundation is dedicated to the promotion of community groups & associations and also helps in fundraising efforts for capital works projects such as recreational facilities, arenas, halls of fame, memorial tributes & structures of historical & artistic significance.
